LIVING ROOM

A WORLD OF REFINED ELEGANCE

A traditional Maldivian welcome with placing of hand-crafted palm leaf necklaces along with Bodu Beru drumming while you sip a refreshing Kurumba (fresh coconut) welcome drink.

The Royal RESERVE is a 3-bedroom retreat with a main 'Sanctuary' and two Guest Villas offering seclusion and privacy to host family and friends. The Sanctuary (530m²) includes a living area, indoor and outdoor bathrooms, and a private spa and gym. The two adjacent Guest Villas feature lavish, air-conditioned bathrooms and private open-air decks.

THE IDEAL PLAYGROUND FOR THE EXTRAORDINARY TRAVELLER

The host of the Royal RESERVE enjoys the main Sanctuary which features its own living area and is equipped with state-of-the-art entertainment systems. The highlight is a personal theatre with surround sound. Bathroom facilities comprise a Jacuzzi (with seating for six) with in-built TV and a deep-soaking Kelly Hoppen™ bathtub.

This sprawling island home also indulges you with a private pool, sunken lounge by a lily pond for a relaxed breakfast, and a dining pavilion to host soirees and family dinners. A private gym and spa pavilion complete the experience.
