What you're about to experience is one of the oldest and healthiest cuisines in the world. The Levantine cuisine is thousands of years old and originates mainly from the Levant countries Jordan, Lebanon, Palestine and Syria, with a great influence from the Turkish – Ottoman and Greek Empires. The Levantine cuisine offers a healthy eating plate filled with a balanced mix of nutritious ingredients recommended for a healthy diet. What makes this cuisine so special is that it includes a wide selection of vegan and vegetarian dishes. These flavorsome dishes use only the finest quality of fresh produce from the region.
